

## *Agape Love*

*By: Mrs. Irene Williams*

Every man, woman, boy and girl - God created.

In Christ, we are sisters and brothers.

God's greatest command for us is that we love one another.

Love is the fulfillment of the law.

Love will make you not see someone else's flaw.

There is a character of Love that the Heavenly Father sent to us from above.

His name is Jesus. Jesus is Love.

Love – it is kind and always has others on its mind.

Love – it is not jealous; it does not have a feeling of displeasure of the prosperity of another fellow.

Love does not brag on one's self and toot its own horn, but it is selfless.

And for others it encourages, uplifts and shows great concern.

Love is not arrogant and filled up with pride.

It operates smooth for an enjoyable ride.

Love is not offensive. Love is polite.

It is not rude nor seeks to pick a fight.

Love puts others first and seeks to serve one's self last.

Love reserves.

Love is not a time bomb ready to explode.

It always operates in the cool breeze mode.

Love does not keep score of the mistakes one makes. It forgives and moves on.

Love does not rejoice in wrong. Only in truth can Love shine strong.

Love is hope, and it is realistic. Love always remains optimistic.

Love does not give up on our sisters and brothers.

It endures through all kinds of troubles.

Love tolerates, and it is patient. It is not easily angered, and it does not hate.  
Agape Love is not cheap. For Jesus paid a price, and there is criteria to meet.  
The criteria is unconditional love character that you must possess.  
Accept Christ as your Lord and Savior.  
And with His unconditional love you will confess.  
Confess His love to everyone that you meet.  
And be an example, for in you - it's Jesus people will see.
