

The Power Within Speaks

By: Mrs. Irene Williams

I am a Person living inside of you.

I am fully God, Omniscient, Omnipresent, Eternal.

I have a will, and I can speak.

I came to live in you and sealed you when you got born again.

I am your very best Friend. By grace - through faith - you received me.

Listen, listen to what I say. I am speaking to you throughout each day.

That small soft Voice you hear inside - when you hear it, please abide.

I will teach you, and I will guide.

Please obey Me when you hear Me speak,

because it's you I'm trying to reach.

I am the Holy Spirit, you see. There is no Salvation without Me.

My deposit in you is your guarantee

that you are a new creation justified in Christ. Only listen to my advice.

I am your Teacher guiding you into Truth. I give you power to bear fruit.

Your body is a temple of God separated from this world,

restored to God and well preserved.

You're born of the Spirit and not of the flesh.

The temple God gave you, do not neglect.

You are not your own you see, for you were bought by Christ Whose blood paid for your sins.

You can do nothing apart from me.

I give you joy, comfort, unity and peace.

I'm the Only One Who makes life so sweet.

I give you boldness to speak My Word,

so that the Gospel can be heard.

For it is not you who speaks, but the Spirit of your Father Who speaks in you.

I give you power to pray. I tell you My Words to say.

I bring to your remembrance all things that I said to you, to help you know just what to do.

It is by me that men will know who you are, by the fruit that I produce in you.

I intercede on your behalf. I give you rest and make you glad.

I give you wisdom and revelation, so you can't claim self-preservation.

I empower you to live a Godly life,

because it was for you Christ made the sacrifice.

It is Me that helps you to forgive. Thirst and hunger for Me,

and with righteousness you shall be filled.

I am your Power Source. Stay plugged in.

I'm talking to the believer who's been born again.
